Sir:

**PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION**

1. Attorney handling this matter for the U.S.P.T.O.: Paul Shanoski
2. Petition: Applicant hereby petitions to revive an unintentionally abandoned application, and for reinstatement of the above-identified application.
3. Nature of Abandonment: In response to an Office Action, of May 11, 2005, a Terminal Disclaimer was timely submitted, on 8/2/2005, but signed by Respondent who inadvertently was not of record on this docket. A new Power of Attorney, appointing Respondent, was executed by the Inventor. Unfortunately, the hard copy for filing the new Power of Attorney did not arrive back in the U.S. until after the Nov. 11, 2005 deadline had passed. Applicant submits that the failure to timely file was unintentional due to delays in conveyance of the newly executed Power of Attorney.
4. New Power of Attorney filed: A new Power of Attorney, properly executed, was submitted with a Petition to Withdraw a Holding of Abandonment, filed Jan. 17, 2006. That petition was denied dated April 21, 2006. Revival of the unintentionally abandonment application is respectfully requested.
5. Petition fee: A Credit Card Payment Form for payment of petition fees is attached. Authorization is hereby given to charge any underpaid fees to deposit account number 16-2497.
6. Certificate of Mailing: I hereby certify that this is being deposited with the United States Postal Service as first class mail in an envelope under 37 CFR 1.8 on the date indicated below addressed to: Mail Stop Petition, Commissioner of Patents, Alexandria, VA 22313-1450.
